

www.editin.com in association with QI Systems Pty Ltd, Melbourne, Australia, has organized more than 50 self-improvement workshops in major cities in India including **b2B Presentations Workshop**.

Workshop Outline: Individuals who possess better business Presentation Skills, make the cut and get ahead with promising career and opportunities in Business. Effective presentation is the most important tool in business world to get the things done - be it persuading colleagues, selling to a customer, energizing a team, showing an idea to senior management, the power of presentation makes the difference between success and failure. This **TWO DAY b2B** [means business to Business or it may mean small business to Big Business] **Presentations Workshop** will be focused on advanced orientation-cum-hands on practice to effectively present business subject content, thoughts & ideas in a logical way that deliver the content with better self-confidence using powerful techniques.

Benefits: *Participants of this workshop:*

- acquire the skills not just by listening, but by observing, doing and feeling.
- learn powerful techniques during this workshop to improve Presentations
- get an opportunity to make sample presentations before unfamiliar audience which will be video taped & replayed for self-review.
- interact and develop networking with other participants which may result into developing new leads / customers / clients for you or your organization / products / services.
- receive **Workshop Kit** which includes Presentation Folder + Work-sheets + Workshop Manual printed copy + **Free** CD featuring Workshop Manual + Power Point templates + Software for Presentation Skills Self-evaluation + "Better Your Presentation Skills" ebook form [worth Rs.567]. *File containing final presentation video recorded & played during the workshop subject to technical feasibility.*
- awarded with **Online Certificate of Participation** in pdf format parked on www.editin.com to view online with facility to download to save / print in color or forward via eMail to others.
